**800218: Seminar on the Economic Situation of Latin America in the 21st Century:
'Trade-related and Macroeconomic Issues in Latin American (LA) Policy Making'**

Module: M.WiWi-VWL.0023.Mp

July 16-17, 2021

1. Organizational issues

Topic selection: Please register and preselect your preferred TOPIC via Stud.IP.

In order to state your preferences, in Stud.IP, go to 'Participants' – 'Functions/Groups', and choose a topic by joining a group. Only one topic per person can be chosen. **Registration begins on April 1, 2021 (noon).**

Please email your topic number and quarter-page concept for your paper to *fnowak@uni-goettingen.de* to reaffirm your interest in the selected topic by April 13. If I do not receive an email from you, your topic preselection in Stud IP becomes invalid.

The final allocation of topics will take place on **April 15 in the introduction meeting**. Topics are allocated according to a first come, first serve basis and by certain priority criteria¹.

Up to two students may work on the same topic. Each student, however, is required to write individual seminar papers. The seminar paper counts 2/3 towards the final grade).

In terms of presentations, students are encouraged to organize joint-presentations (with someone working on the same topic). Presentations should be created in a printer-friendly version (white background!). Presentation and participation in discussions count together 1/3 towards the final grade.

Registration: Please register also in Flex Now to be formally enrolled in the seminar and be able to earn credits (see dates below). Withdrawal from the course after registration deadline in Flex Now is only possible with a medical certificate.
