

## **Faculty of Forest Sciences and Forest Ecology**

### **Guidelines for Submitting Theses**

#### **External Reviewers**

For external reviewers, please provide their address, phone number, and email address.

#### **Declaration**

The final page of the thesis must contain the following declaration:

"I hereby certify in accordance with the examination regulations applicable to me, that I have independently written this thesis and used no sources or aids other than those indicated. I confirm that the written and digital versions of this thesis are identical.

In the present thesis, I have used ChatGPT or another AI as follows:

- ☐ Not at all
- ☐ For idea generation
- ☐ For creating the outline
- ☐ For creating specific passages, constituting ...% of the total text
- ☐ For developing software source code
- ☐ For optimizing or restructuring software source code
- ☐ For proofreading or optimizing
- ☐ Other, namely: ...

I confirm that all uses of AI are fully disclosed. Missing or incorrect disclosures will be considered an attempt to deceive."

#### **Date, Signature of the Student**

**Don't forget the signatures!**

#### **Number of Copies**

The thesis must be uploaded to FlexNow by the deadline.

MSc Forest and Ecosystem Sciences: One hard copy bound with glue of the master's thesis must be submitted in time to the Examination Office.

BSc Ecosystem Sciences: No hard copy must be submitted.

#### **Submission Deadline**

- The upload date in FlexNow is considered the official submission date.

#### **Additional Notes**

Further content-related and formal guidelines for writing theses can be found on our homepage under > Studies > For Students > Theses.
