

## CURRICULUM VITAE

### Academic education including academic degrees

07/1989                      Diploma Chemistry, Friedrich-Alexander-University Erlangen-Nürnberg

### Scientific graduation

11/1992                      Dr. rer. nat., Biochemistry, TU München, Mentor: Prof. Dr. R. Huber

### Employment

08/1989-11/1992          PhD student, Max Planck Institute for Biochemistry, Martinsried  
12/1992-12/1993          Postdoctoral Fellow, Max Planck Institute for Biochemistry, Martinsried  
02/1993-12/1996          Postdoctoral Fellow, European Molecular Biology Laboratory (EMBL), Heidelberg  
01/1997-12/2000          Junior Group Leader, Institute for Molecular Biology and Tumor Research, Philipps University Marburg  
01/2001-09/2001          Group Leader, Research Group Macromolecular X-ray Crystallography, Max Planck Institute for Biophysical Chemistry, Göttingen  
since 10/2001              Full Professor (C4) and Head of the Dept. of Molecular Structural Biology, Institute of Microbiology and Genetics, Georg-August-University Göttingen

### Other activities, awards and honours

1986-1988                  Fellowship of the German National Academic Foundation  
Since 2005                  Associate Member of the European Neuroscience Institute, Göttingen  
Since 2005                  Member of the Scientific Organizing Committee of the Murnau Conferences 2005, 2007, 2010, 2014  
2004-2010                  Member of the Beam Time Committee at Berlin Synchrotron BESSY  
2005-2009                  Member of the Priority Committee, EMBL Outstation Hamburg at DESY  
2008-2011                  Elected Member of the DFG Review Board 201 (Panel for Biochemistry, Biophysics, Structural Biology, Bioinformatics)  
2009-2011                  Spokesman of the Section *Biological Structures* of the German Society for Crystallography (DGK)  
2010-2012                  Dean of the Faculty of Biology and Psychology, Georg-August-Universität Göttingen  
2010-2022                  Spokesperson of the DFG Collaborative Research Centre CRC860 "Integrative Structural Biology of Dynamic Macromolecular Assemblies"  
2012-2014                  Dean of Research of the Faculty of Biology and Psychology, Georg-August-Universität Göttingen  
2013-2019                  Managing Director of the Göttinger Zentrum für Molekulare Biowissenschaften (GZMB)  
2014-2016                  Deputy Dean of the Faculty of Biology and Psychology, Georg-August-Universität Göttingen  
2015-2019                  Spokesperson of the Göttingen Graduate School for Neuroscience, Biophysics and Molecular Biosciences (GGNB)  
2017-2019                  Senator of the Georg-August-Universität Göttingen  
2019-2021                  President of the German Society for Crystallography (DGK)  
2020-2022                  Member of the DFG Senate Committee on Research Training Groups
